The best way to learn is to be guided through all stages of variable content printing workflow by certified experts who can answer your questions and tailor training agendas to meet your needs.

Whether you are a new user who wants to learn the PlanetPress Suite ABCs or an experienced user interested in upgrade training or a custom training agenda, the PlanetPress Learn team of instructors can teach you how to leverage the full power of PlanetPress Suite, enterprise-wide.

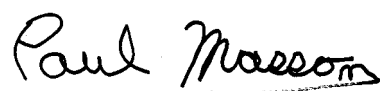

Simplicity. The PlanetPress Learn team makes it easy to assess your training toto needs by providing a small number of courses that cover the full sweep of PlanetPress Suite. Consult the Training Course Summaries for more information.

Flexibility. The PlanetPress Learn team offers custom training agendas on demand. For example, existing clients may request upgrade training to get a guided, condensed overview of new features only.

Accessibility. The PlanetPress Learn team offers training course at one of two training centers in North America. Certified instructors can also be booked to provide training in your office.

Reliability. Courses offered at the Objectif Lune training centers are guaranteed with a minimum of one attendee. If you book your attendance to one of the course offered on our Training Calendar, we will not re-schedule, even if you are the only student to sign up.

Contact your reseller for more information about the courses offered by PlanetPress Learn. You can also Contact us directly for more information.
